The **Factory Stock** category is designated for the owner of any 1964 1/2 to current year Mustang, any Shelby or any BOSS whose objective is to maintain the car in its original condition. The car should reflect what would have been found in dealer's show rooms when sold new, including authorized dealer options. The car will be judged on authenticity, condition and cleanliness. Point deduction against the total score will be made as indicated for allowable exceptions that are not factory stock.

The following criteria are provided as general guidelines only and may not include all of the allowable or non-allowable exceptions.

A designated judge at the show will make the final determination regarding qualification and any related point deductions to enter the Factory Stock Classes, based on the rules and guidelines as defined by the MOCC.

### Allowable exceptions include:

- Battery (-5 pts.)
- Mechanical Replacement parts as long as they are still of original type such as: starters, oil filters, belts, hoses, muffler and shocks.
- Radio may be replacement type only if intended for original dash opening, and dash is not altered (-5 pts.)
- Addition of options that could have been ordered by the buyer from the factory or the dealer, that are still of stock type, qualify.
- Radial tires if size and appearance reflect original type (-5 pts.)

### Non-allowable exceptions include:

- Paint that is not a Mustang color (must match data plate)
- Addition of aftermarket stereo system or speakers.
- Antennas that are not of original type.
- Replacing steering wheel with non stock type.
- Aftermarket engine dress-up kit.
- Braided hoses, colored spark plug wires or non-original engine modifications and body modifications.
- Tires that are not like original (wrong size or type).
- Wheels/wheel covers that are not original type.
- Interior changes from original (wrong color/sear covering).

## Attention All Mustang Drivers!

Pony Corral

Do you have a Mustang and would like to participate in a Car Show but do not want to be judged?

The Mustang Owners Club of California (MOCC) has a special place for you at our annual Woodley Park show June 27, 2010 – it's called the **Pony Corral!** And we pioneered this type of class in 2000.

We are inviting Mustangers to bring their car and park in a grass area set aside just for you. There will be no judging and no trophies, but a chance for you to meet with and talk cars with others of the same interest, and to see some of the finest Mustang show cars on the West Coast, who will be parked close to you.

All you have to do is show up between 7:30 a.m. and 9:30 a.m. on June 27. Pay a **\$10.00 entry fee** and you will be shown where to park. We do have a few rules, such as NO For Sale signs and NO alcoholic beverages (this is a City park). In addition to all of this, you will receive a dash plaque as a participant. Come and have fun. Bar-B-Q grills and Picnic Tables and shade are available.

For any further info, call the **MOCC Hot Line** at (818) 785-1180 or **Pat Fitzgerald** at (818) 882-6314.
